Broken Resolutions (Lovestruck Librarians) By Olivia Dade

LOVE BETWEEN THE LINES

Romance has never had a happy ending for librarian Penny Callahan, who could write the book on cheating, heartbreaking liars. So she's made a resolution: no men for the next twelve months. If she can just get through the library's New Year's Eve singles night, she can return home to her pajamas and a good book. But when she finds herself checking out a hot patron with an irresistible smile, an evening in the stacks becomes a lot more tempting...

Reclusive author Jack Williamson never should have trusted his mother. Even though he's trying to avoid being recognized, she guilted him into attending a dating meet-and-greet--where an adorable librarian makes him question his lonely lifestyle. Is this just a fleeting, flirty scene? Or could love be the next chapter for them both?

"Love is never out of reach for the librarians of the Nice County Library System...Sarah's charm and humor are perfectly suited to a beach read."
--Publishers Weekly on Ready to Fall

Editorial Review

Review

"This was a fun little novella, breezy and sexy. I really enjoyed Dade's humor and writing style."

--Immersed in Books on Broken Resolutions

"What a fun premise! To take a shy, reserved librarian and make her responsible for a singles night planned by her much more adventurous (and way less reserved!) co-worker is a recipe for laughs and they abound here in this sexy romantic novella. ... I liked how the story evolved and Jack's patience and perseverance in trying to prove to her that he's worth breaking her resolution for. Very enjoyable, and I'm looking forward to the next in the series!" --Straight Shootin' Book Reviews on Broken Resolutions

From the Author

The books in the Lovestruck Librarians series are:

1. Broken Resolutions
2. My Reckless Valentine
3. Mayday
4. Ready to Fall
5. Driven to Distraction
6. Hidden Hearts

About the Author

While I was growing up, my mother kept a stack of books hidden in her closet. She told me I couldn't read them. So, naturally, whenever she left me alone for any length of time, I took them out and flipped through them. Those books raised quite a few questions in my prepubescent brain. Namely: 1) Why were there so many pirates? 2) Where did all the throbbing come from? 3) What was a "manhood"? 4) And why did the hero and heroine seem overcome by images of waves and fireworks every few pages, especially after an episode of mysterious throbbing in the hero's manhood?

Thirty or so years later, I have a few answers. 1) Because my mom apparently fancied pirates at that time. Now she hoards romances involving cowboys and babies. If a book cover features a shirtless man in a Stetson cradling an infant, her ovaries basically explode and her credit card emerges. 2) His manhood. Also, her womanhood. 3) It's his "hard length," sometimes compared in terms of rigidity to iron. 4) Because explaining how an orgasm feels can prove difficult. Or maybe the couples all had sex on New Year's Eve at Cancun.

During those thirty years, I accomplished a few things. I graduated from Wake Forest University and earned my M.A. in American History from the University of Wisconsin-Madison. I worked at a variety of jobs that required me to bury my bawdiness and potty mouth under a demure exterior: costumed interpreter at Colonial Williamsburg, high school teacher, and librarian. But I always, always read romances. Funny, filthy, sweet--it didn't matter. I loved them all.

Now I'm writing my own romances with the encouragement of my husband and daughter. I have my own stack of books in my closet that I'd rather my daughter not read, at least not for a few years. I can swear

whenever I want, except around said daughter. And I get to spend all day writing about love and iron-hard lengths.

So thank you, Mom, for perving so hard on pirates during my childhood. I owe you.

Users Review

From reader reviews:

Inez Morales:

This Broken Resolutions (Lovestruck Librarians) are generally reliable for you who want to be described as a successful person, why. The key reason why of this Broken Resolutions (Lovestruck Librarians) can be on the list of great books you must have is giving you more than just simple examining food but feed an individual with information that might be will shock your prior knowledge. Beside that this Broken Resolutions (Lovestruck Librarians) giving you an enormous of experience such as rich vocabulary, giving you demo of critical thinking that we understand it useful in your day activity. So , let's have it and enjoy reading.

Loyd Tyler:

Spent a free a chance to be fun activity to accomplish! A lot of people spent their leisure time with their family, or all their friends. Usually they carrying out activity like watching television, planning to beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? Can be reading a book might be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to try out look for book, may be the publication untitled Broken Resolutions (Lovestruck Librarians) can be good book to read. May be it may be best activity to you.

Daniel England:

Your reading 6th sense will not betray anyone, why because this Broken Resolutions (Lovestruck Librarians) guide written by well-known writer whose to say well how to make book which can be understand by anyone who have read the book. Written in good manner for you, still dripping wet every ideas and publishing skill only for eliminate your hunger then you still doubt Broken Resolutions (Lovestruck Librarians) as good book not just by the cover but also by content. This is one reserve that can break don't ascertain book by its protect, so do you still needing one more sixth sense to pick this specific!? Oh come on your reading through sixth sense already alerted you so why you have to listening to another sixth sense.

Cynthia Necaise:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the teacher want, like asked to go to the library. They go to generally there but

nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Broken Resolutions (Lovestruck Librarians) can make you experience more interested to read.
