Communicating Plays in a No Huddle Offense Using Numbers: A Simple Comprehensive Plan that Won't Be Decoded by Bill Renner

You cannot run a no huddle offensive system without a communication method that is simple for the players to understand, easy to signal in to the players and yet disguised enough that your opponent won't figure it out. With 13 years of experience running a successful no huddle offense, and 30 years of experience coaching and calling plays, Coach Bill Renner shares with you the sideline method he developed to communicate plays to his players. He shares with you No special signs, symbols or wrist coaches for each player are needed. You just use your hands. Coach Renner's numbering system allows you to communicate any type of play you want with three hand signals that any player can learn in a matter of a few minutes. Names of your plays are translated to numbers. Coach Renner details how to do that with pictures, sample play calls and his numbering system chart for each skill player. Numbers are easy to signal, easy for players to remember and easy to disguise from an opponent even ones you play every year. Coach Renner's play communication system is efficient, simple to teach, and doesn't require extra time preparing signs or wrist coaches for each player. If you are looking for a proven, efficient, easy to signal system to communicate your plays in your no huddle offense Coach Renner's numbering system will help you.
