Danger & Play: Essays on Masculinity By Mike Cernovich

THIS BOOK GOT MIKE CERNOVICH BANNED FROM TELEVISION!

Mike Cernovich is considered one of the most controversial men on the Internet, as he tells the truth without fear of offending the politically correct or weak-minded. Cernovich has been attacked by Gawker, Newsweek, Daily Beast, and other anti-men publications. MSNBC had a guest on to discuss Cernovich's "offensive" views on how men want to live and the entire media establishment lost their minds when Cernovich appeared on FoxNews.

Danger & Play, Cernovich's flagship website, has been read by millions of people worldwide and his book Gorilla Mindset became an immediate best seller.

In Danger & Play: Mike Cernovich's Guide to Life, you'll learn how to eliminate slave emotions like guilt and shame. You will begin – perhaps for the first time ever – living life on your terms.

Be forewarned. While you will agree with one essay, you will disagree with another. No one agrees with everything Cernovich writes, which is a point of pride for him.

Cernovich does not write for the slow or the weak. He writes for independent men (and even some women) who aren't afraid to have their ideas about the world challenged.

Find out what millions of others have learned by reading Danger & Play: Mike Cernovich's Guide to Life.
