Jamie at Home: Cook Your Way to the Good Life By Jamie Oliver

Home is where the heart is . . . This book is very close to my heart. It's about no-nonsense, simple cooking with great flavors all year round. When I began writing it, I didn't really know what recipes I would come up with, but something began to inspire me very quickly . . . my vegetable patch! I came to realize last year that it's not always about looking out at the wider world for inspiration. Being at home, feeling relaxed and open, can also offer this. I love to spend time at home in the village where I grew up, working with the boss, Mother Nature, in my garden and seeing all my beautiful veggies coming out of the ground. Inside you'll find over one hundred new recipes, plus some basic planting information and tips if you fancy having a go at getting your hands dirty as well!

Editorial Review

From School Library Journal

Starred Review. Oliver, host of numerous TV cooking shows and author of seven other cookbooks, is just as passionate about food and cooking as he was when he burst on the scene in *The Naked Chef*. One of his newest fascinations is with gardening, and this companion volume to a PBS series of the same name shows off the fruits of his labors in the garden he started several years ago. His recipes have always featured fresh, seasonal ingredients, but here they are organized by season and within each section by ingredient, from Crispy and Delicious Asparagus and Potato Tart in spring to the Best Winter Veg Coleslaw. Each chapter includes gardening information (e.g., how Oliver grows asparagus), and there are dozens of gorgeous color photographs. Highly recommended.

About the Author

Jamie Oliver grew up in his parents' country pub, the Cricketers in Clavering, where he started cooking at the age of eight, before studying at London's Westminster Catering College. He then went on to work with some of the top chefs in England namely Antonio Carluccio at the Neal Street Restaurant and Rose Gray and Ruth Rogers at the River Café. The author of such popular titles as *The Naked Chef*, *Jamie's Kitchen*, *Jamie's Italy*, among others, he has written for the *Saturday Times*, served as Food Editor at *GQ* and *Marie Claire* magazines, and hosted the popular television show *The Naked Chef*. He is twenty-nine and lives in London with his wife Jools and their daughters, Poppy and Daisy.

Users Review

From reader reviews:

Pearl Sanders:
