My Gita By Devdutt Pattanaik

In My Gita, acclaimed mythologist Devdutt Pattanaik demystifies The Bhagavad Gita for the contemporary reader. His unique approach—thematic rather than verse-by-verse—makes the ancient treatise eminently accessible, combined as it is with his trademark illustrations and simple diagrams.

In a world that seems spellbound by argument over dialogue, vi-vaad over sam-vaad, Devdutt highlights how Krishna nudges Arjuna to understand rather than judge his relationships. This becomes relevant today when we are increasingly indulging and isolating the self (self-improvement, self-actualization, self-realization—even selfies!). We forget that we live in an ecosystem of others, where we can nourish each other with food, love and meaning, even when we fight.

So let My Gita inform your Gita.

From reader reviews:

Tammy Ely:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each publication has different aim or perhaps goal; it means that guide has different type. Some people truly feel enjoy to spend their the perfect time to read a book. These are reading whatever they get because their hobby is actually reading a book. Think about the person who don't like reading a book? Sometime, man or woman feel need book after they found difficult problem or exercise. Well, probably you will want this My Gita.

Robert Shelby:

Reading a reserve tends to be new life style in this particular era globalization. With studying you can get a lot of information that will give you benefit in your life. With book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Many author can inspire all their reader with their story or maybe their experience. Not only the story that share in the books. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on this planet always try to improve their expertise in writing, they also doing some investigation before they write on their book. One of them is this My Gita.

Ruth Westlund:

Reading can called brain hangout, why? Because when you find yourself reading a book specifically book entitled My Gita your head will drift away trough every dimension, wandering in every aspect that maybe mysterious for but surely will become your mind friends. Imaging every single word written in a guide then become one type conclusion and explanation that maybe you never get before. The My Gita giving you an additional experience more than blown away your head but also giving you useful details for your better life within this era. So now let us demonstrate the relaxing pattern this is your body and mind will likely be pleased when you are finished looking at it, like winning a sport. Do you want to try this extraordinary wasting spare time activity?

Zoe Harris:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this My Gita can make you experience more interested to read.
