

Classic Brainteasers

By Martin Gardner

Classic Brainteasers By Martin Gardner

"From math, science, and logic puzzlers to word games to what's-wrong-with-this-picture challenges. Cartoon illustrations give the book pick-me-up appeal, but it's the games themselves that will keep readers going as they match wits with Gardner, challenge their friends, or simply read along and look up the answers in the back."--*Booklist*.

Editorial Review

From [Booklist](#)

Gr. 4[^]-6. Gardner presents a mixed bag of brainteasers, from math, science, and logic puzzlers to word games to what's-wrong-with-this-picture challenges. Cartoon illustrations give the book pick-me-up appeal, but it's the games themselves that will keep readers going as they match wits with Gardner, challenge their friends, or simply read along and look up the answers in the back. The publisher notes that "some of the puzzles appeared in slightly different form in *The Arrow Book of Brainteasers*. The many libraries without that volume on their shelves may want to consider this one, just for fun. *Carolyn Phelan*

Users Review

From reader reviews:

Terrance Allen:

This book untitled Classic Brainteasers to be one of several books that best seller in this year, that is because when you read this publication you can get a lot of benefit upon it.
