Dos almas (EPUBS) (Spanish Edition) By Holly Bourne

Ellos son el uno para el otro. O tal vez no.

Las almas gemelas existen, pero no como te lo imaginas.

Cada tanto nacen dos personas que forman la pareja perfecta. Son almas gemelas.

Pero ¿y si encontrar a tu alma gemela tuviera el potencial para destruir la tierra, literalmente?

Una extraordinaria y épica historia sobre enamorarse.

'Yo nunca había creído en las almas gemelas. Era una expresión hollywoodiense, un concepto inventado para vender literatura romántica y derechos de autor.

A mi modo de ver, el amor era una obsesión mundial nacida de la fantasía desesperada. Daba igual que la gente hablara de amor, de romanticismo, del hallazgo de nuestra alma gemela y demás paparruchas. Para mí no era más que una cuestión de hormonas, de química y biología, envuelta en la ilusión de vivir felices para siempre, fruto del miedo a estar solos.

Claro que siempre se es una cínica hasta que una misma se enamora.

El problema era que Hollywood, Stephanie Meyer, Mills y Boon..., todos ellos tenían razón. Las almas gemelas existen de verdad.

Lo que ninguno de ellos entendía es que encontrarla no siempre es algo bueno.'

Holly Bourne es periodista y trabaja en la web thesite.org, que proporciona ayuda a jóvenes de entre 16 y 25 años con toda clase de problemas. Almas gemelas es su primera novela y por ella ha recibido magníficos comentarios de los lectores y la crítica.
