#### Shari Villa:

As a student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.

Therefore this Leaving the Atocha Station by Ben Lerner (Sep 1 2012) can make you experience more interested to read.
