### Editorial Review

From the Back Cover

At the age of twenty, George Ritchie died in an army hospital. Nine minutes later, he returned to life. What happened to him during those minutes was so compelling, it changed his life forever.

In Return from Tomorrow, he tells of his out-of-the-body encounter with other nonphysical beings, his travel through different dimensions of time and space, and ultimately, his transforming meeting with the Light of the world, the Son of God.

Ritchie's amazing experience not only altered his view of eternity-it has since directed and governed his entire life. One of the most startling and hopeful descriptions of the realm beyond, Return from Tomorrow may change your life for the better, too!
