The Incredible Voyage By Tristan Jones

Follow the supreme adventurer, Tristan Jones, as he takes a solitary and intrepid six-year voyage on his small craft, The Sea Dart. Covering a distance twice the circumference of the globe, from the lowest body of water in the world--The Dead Sea--to the highest--Lake Titicaca in the Andes--Jones finds himself "a thousand times beyond the limit of endurance." With tenacity stronger than any obstacle, Jones refuses to give up his adventure, even after falling prey to several disasters that could have killed him. Struggling against the mighty current of the Amazon, hauling his boat over the Andes Mountains and capsizing off the Cape of Good Hope do not discourage him. This gripping story is a testament to his indomitable spirit and thirst for danger.

Editorial Review

Review

...well-told, embellished not only with hyperbole and idiosyncratic opinion, but with history, philosophy, even poetry....Romance is another word I would use: love of the sea, adventure, excitement, and he our errant knight, a direct descendant of Captain Ahab and Joshua Slocum. This gripping sea yarn is at once a riveting adventure story and a testament to human tenacity. In a salty, slashing style, he unfolds his extraordinary saga, revealing both a rich sense of history and an insuppressible Welsh wit. (*Caribbean Compass*)

"There's no better [Jones] book to start with than this one...It's a fantastic read. Don't miss it." (*The Ensign*)
