The Living Room By Robert Whitlow

Amy Clarke’s dreams are coming true—and that’s the problem.

Legal secretary by day, romance novelist by night, Amy Clarke lives with a precious secret. For years, she has traveled to a holy place in her dreams—a sublime place she calls the Living Room. When she awakes, her faith and energy are supernaturally restored. And when she dreams, she receives vibrant inspiration for her novels.

As she begins to write her third book, the nature of her dreams shifts. Gone are the literary signposts. Instead, her dreams are studded with scenes that foreshadow real life. Before long, the scenes begin to spill over into her waking hours too.

As Amy becomes entangled in a high stakes case at work, her visions take on a dark hue—implicating someone dear to her, causing her to question everything. And convincing her to trust someone with his own shadowy secrets.

Things are not always what they seem. But as fiction, dreams, and real life begin to overlap, Amy must stop dreaming and act to prevent tragedy.

“With deft sleight of hand, wonderful characterization, and carefully layered plots, Robert Whitlow has crafted a gripping story about the mysteries of God’s power to shelter the people he loves.”—Erin Healy, author of *Afloat*

Award-winner Whitlow blends legal drama and spiritual thrills in an intensely good read. Amy Clarke, legal secretary by day and writer by night, gathers inspiration for her books from her vivid dreams, which she considers private. But as she begins writing her newest novel, the dreams begin to change. What was once just between Amy and God is now thrust dramatically into her everyday life. When she finds herself drawn into a major case at the firm, Amy struggles to balance her job, her writing, and her family. Each area of her life presents its own challenges, and Amy's dreams are just vague enough to keep her on edge all the time. While she trusts that her visions are from God, Amy has a difficult time knowing how to reconcile what she sees as truth with her desire to behave appropriately. Any woman facing the demands of work and family will relate to Amy's life. The excitement and vivid spirituality Whitlow generates, however, are what will keep readers turning the pages. --Carolyn Richard
