Editorial Review

Review

One of the most remarkable productions of the century. --*New York Herald*, 1877

It must be acknowledged that she is a remarkable woman, who has read more, seen more, and thought more than most wise men. Her work abounds in quotations from a dozen different languages, not for the purpose of a vain display of erudition, but to substantiate her peculiar views . . . her pages are garnished with footnotes establishing, as her authorities, some of the profoundest writers of the past. To a large class of readers, this remarkable work will prove of absorbing interest . . . demands the earnest attention of thinkers, and merits an analytic reading. --*Boston Evening Transcript*, 1877

The appearance of erudition is stupendous. Reference to and quotations from the most unknown and obscure writers in all languages abound, interspersed with allusions to writers of the highest repute, which have evidently been more than skimmed through. --*N. Y. Independent*, 1877

From the Publisher

Theosophical University Press, publisher of quality theosophical literature since 1886.

From the Back Cover

Isis Unveiled created a sensation when it was first published in 1877. The first major work by the young Russian noblewoman who founded The Theosophical Society, its 1200 pages explored "the mysteries of ancient and modern science and theology". This new abridgment by Theosophical scholar Michael Gomes breathes fresh life into this classic of Western esoteric thinking. With its central themes highlighted and its style modernized for today's readers, Isis Unveiled is revealed as a fascinating exploration of the universal truths of the Ancient Wisdom Tradition by one of the most remarkable women of modern times.
