By Raymond A. Moody Jr. M.D.

Life After Life: The Investigation of a Phenomenon---Survival of Bodily Death By Raymond A. Moody Jr. M.D.

In Life After Life, Raymond Moody investigates more than one hundred case studies of people who experienced "clinical death" and were subsequently revived. First published in 1975, this classic exploration of life after death started a revolution in popular attitudes about the afterlife and established Dr. Moody as the world's leading authority in the field of near-death experiences. Life After Life sold millions of copies and forever changed the way we understand both death and life. The extraordinary stories presented here provide evidence that there is life after physical death, as Moody recounts the testimonies of those who have been to the "other side" and back, all bearing striking similarities. These moving and inspiring accounts give us a glimpse of the peace and unconditional love that await us all.

Editorial Review

Review

"It is research like Dr. Moody presents in his book that will enlighten many and will confirm what we have been taught for two thousand years -- that there is life after death." -- Elisabeth Kubler Ross, M.D.

From the Publisher

"I had a floating sensation ... and I looked back and I could see myself on the bed below." "I went through this dark black vacuum at super speed." "From the moment the light spoke to me, I felt really good -- secure and loved." "I heard a voice telling me what I had to do -- go back -- and I felt no fear." "It opened up a whole new world for me -- I kept thinking, 'There's so much I've got to find out.'"

In this fascinating book, Dr. Moody reveals his groundbreaking study of more than one hundred people who experienced "clinical death" -- and were revived. Their amazing testimonies and surprising descriptions of "death" and "beyond" are so strikingly similar, so vivid and so overwhelmingly positive that they have changed the way we view life, death, and the spiritual hereafter. *Life After Death* will intrigue and offer strong reassurance to anyone who has wondered "what comes next?"
