**Agents of Repression: The FBI's Secret Wars Against the Black Panther Party and the American Indian Movement (South End Press Classics)** By Ward Churchill, Jim Vander Wall

For those wondering how Bill Clinton could pardon white-collar fugitive Marc Rich but not Native American leader Leonard Peltier, important clues can be found in this classic study of the FBI's COINTELPRO (Counterintelligence Program). *Agents of Repression* includes an incisive historical account of the FBI siege of Wounded Knee, and reveals the viciousness of COINTELPRO campaigns targeting the Black Liberation movement. The authors' new introduction examines the legacies of the Panthers and AIM, and shows how the FBI still presents a threat to those committed to fundamental social change.

**Ward Churchill** is author of *From a Native Son*. Jim Vander Wall is co-author of *The COINTELPRO Papers: Documents from the FBI's Secret Wars Against Dissent in the United States*, with Ward Churchill.
