

Amiens: Dawn of Victory

By James McWilliams, R. James Steel

Amiens: Dawn of Victory By James McWilliams, R. James Steel

It was the decisive battle of World War I. German commander Erich Ludendorff called it "the black day of the German army." Many authors have stated that it was the beginning of the end of the great conflict. And yet, until now, no book has been published on the climactic battle at Amiens.

Amiens was one of the first "modern" battles, and certainly the first attempted by the Allies. Employing the troops of five nations (including Canada) and utilizing secrecy, deception, and combined operations, the Allies won the first of a string of victories culminating in the Armistice one hundred days later. *Amiens: Dawn of Victory* is the first book to study the historic battle in minute detail. Using eyewitness accounts from dozens of survivors, plus many accounts, both published and unpublished, by the participants, the authors take us into the trenches, the tanks, and the cockpits.

Editorial Review

Review

"McWilliams and Steel have done a magnificent research effort as they go into great detail into the planning, attack and movement of the battle, liberally interspersed with comments from the participants."

(*Convoy*)

"This clear-minded account of the days leading up to that sequel is overdue and welcome."

(Rondi Adamson *The National Post*)

"... carefully researched and appealingly written." "In bringing this important battle to light, McWilliams and Steel also do us the great service of providing a reminder that there are many other battles of Canada's Great War that await their own historian."

(*Canadian Military History*)

From the Inside Flap

For the Allies, it was the "dawn of victory," the battle that paved the way for the Armistice 100 days later.

About the Author

James McWilliams and R. James Steel are avid military historians. They have collaborated on two previous books on *World War I: The Suicide Battalion* (1978, 1990) and *Gas! The Battle for Ypres, 1915* (1989) - as well as a unit history - *The Battery* (1996). R. James Steel is also the author of *The Men Who Marched Away: Canada's Infantry in World War I, 1914-1918* (1989).

Users Review

From reader reviews:

Bonnie Mentzer:

The feeling that you get from Amiens: Dawn of Victory may be the more deep you searching the information that hide within the words the more you get enthusiastic about reading it. It doesn't mean that this book is hard to be aware of but Amiens: Dawn of Victory giving you joy feeling of reading. Nathan Hutchison:

Is it you actually who having spare time subsequently spend it whole day by watching television programs or just lying on the bed? Do you need something totally new? This Amiens: Dawn of Victory can be the respond to, oh how comes? It's a book you know. You are therefore out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these books have than the others?

Anthony Martin:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just small students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Amiens: Dawn of Victory can make you truly feel more interested to read.
