

Believer's Baptism: Sign of the New Covenant in Christ (New American Commentary Studies in Bible & Theology)

From B & H Publishing Group

Believer's Baptism: Sign of the New Covenant in Christ (New American Commentary Studies in Bible & Theology) From B & H Publishing Group

Is believer's baptism the clear teaching of the New Testament Scriptures? What are the historical and theological challenges to believer's baptism? What are the practical applications for believer's baptism today? Volume two in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE & THEOLOGY (NACSBT) series for pastors, advanced Bible students, and other deeply committed laypersons addresses these compelling questions.

Indeed, *Believer's Baptism* begins with the belief that believer's baptism (as opposed to infant baptism or other faith proclaiming methods) is the clear teaching of the New Testament. Along the way, the argument is supported by written contributions from Andreas Kostenberger, Robert Stein, Thomas Schreiner, Stephen Wellum, Steve McKinion, Jonathan Rainbow, Shawn Wright, and Mark Dever.

Users will find this an excellent extension of the long-respected NEW AMERICAN COMMENTARY.
