Business Ethics By Paul Griseri, Nina Seppala

A new text for new realities: Business Ethics & Corporate Social Responsibility charts a course for students through the unprecedented challenges and turbulence of modern business and its implications for people across the globe. Moving beyond the Anglo-American focus of existing works, the authors employ a refreshingly international perspective to leave students with a broad and reflective understanding of business ethics. A flexible 3-part structure, developed from extensive market feedback, aligns with the latest course structures, while a strong focus on environmental ethics and sustainability throughout provides market-leading coverage of this vital issue. An unparalleled range of case studies, including chapter cases and longer premium cases supplied by HBR, Ivey and ECCH, combine with a full set of online supporting resources to make this the complete introduction to business ethics in a rapidly evolving world.

Editorial Review

About the Author

Paul Griseri is Head of the Department of Business and Management at Middlesex University Business School. Prior to this he has taught management at all levels, from first line management through to MBA, and he has worked in a range of institutions, most recently at University College London. Paul is co-editor of the journal *Philosophy of Management*, and has published several books and articles on subjects related to this area. He has also trained a large number of professional managers both in formal education and through in-house organisation development programmes. Nina Seppala is Director of Studies at the Department of Management Science and Innovation, University College London. She has a PhD in Business Studies from University of Warwick and previously worked for the United Nations and International IDEA in the areas of democracy promotion and preventive diplomacy. Her research interests are in strategy in non-profits, boundaries of corporate responsibility, and business and human rights.

Users Review

From reader reviews:

Charlotte Kuester:

The reserve untitled Business Ethics is the guide that recommended to you to see. You can see the quality of the book content that will be shown to a person. The language that article author use to explained their way of doing something is easily to understand. The copy writer was did a lot of research when write the book, and so the information that they share for you is absolutely accurate. You also could possibly get the e-book of Business Ethics from the publisher to make you a lot more enjoy free time.

Kristen Mazur:

Your reading sixth sense will not betray anyone, why because this Business Ethics reserve written by well-known writer who really knows well how to make book which can be understand by anyone who all read the book. Written throughout good manner for you, dripping every ideas and creating skill only for eliminate your personal hunger then you still hesitation Business Ethics as good book not only by the cover but also by content. This is one e-book that can break don't evaluate book by its cover, so do you still needing one more sixth sense to pick this particular!?! Oh come on your examining sixth sense already said so why you have to listening to one more sixth sense.

Ernestine Worrell:

Don't be worry for anyone who is afraid that this book will filled the space in your house, you might have it in e-book method, more simple and reachable. That Business Ethics can give you a lot of good friends because by you checking out this one book you have issue that they don't and make you actually more like an interesting person. This particular book can be one of one step for you to get success. This e-book offer you information that possibly your friend doesn't recognize, by knowing more than other make you to be great men and women. So , why hesitate? Let me have Business Ethics.

Janice Evans:

Do you like reading a book? Confuse to looking for your selected book? Or your book had been rare? Why so many issue for the book? But almost any people feel that they enjoy for reading. Some people likes looking at, not only science book but additionally novel and Business Ethics or others sources were given knowledge for you. After you know how the good a book, you feel wish to read more and more. Science guide was created for teacher as well as students especially. Those guides are helping them to add their knowledge. In some other case, beside science reserve, any other book likes Business Ethics to make your spare time much more colorful. Many types of book like here.
