

On Deconstruction: Theory and Criticism After Structuralism, 25th Anniversary Edition

By Jonathan Culler

On Deconstruction: Theory and Criticism After Structuralism, 25th Anniversary Edition By Jonathan Culler

With an emphasis on readers and reading, Jonathan Culler considered deconstruction in terms of the questions raised by psychoanalytic, feminist, and reader-response criticism. *On Deconstruction* is both an authoritative synthesis of Derrida's thought and an analysis of the often-problematic relation between his philosophical writings and the work of literary critics. Culler's book is an indispensable guide for anyone interested in understanding modern critical thought. This edition marks the twenty-fifth anniversary of the first publication of this landmark work and includes a new preface by the author that surveys deconstruction's history since the 1980s and assesses its place within cultural theory today.

Editorial Review

Review

"Academic literary criticism continues to be dominated by 'theory' and the struggle between deconstructionist and humanist approaches to the business of reading. Jonathan Culler's *On Deconstruction* is a typically patient, thoughtful, illuminating exposition of the ideas of Jacques Derrida and their application to literary studies."?David Lodge, *Commonweal*

"Culler is lucid and thorough, can move into and out of other people's arguments without losing the sense of his own voice and argument, and can manage to seem equally at home with Freudianism, feminism, and traditional literary criticism."?Times Literary Supplement

"As a practicing critic, Culler has always been a deconstructor, and he approaches this topic with special immediacy and force. In *On Deconstruction*, he offers generous summaries of numerous representative articles and a fine annotated bibliography. . . . His magisterial way of tracing particular topics and techniques through our diaspora of critical texts, and his provocative analyses, cannot fail to focus any critic's thinking about deconstruction."?Modern Language Quarterly

"Gifted with grace and clarity, Culler provides us with a stimulating survey of contemporary literary criticism."?Antioch Review

About the Author

Jonathan Culler is Class of 1916 Professor of English at Cornell University. His book, *Structuralist Poetics: Structuralism, Linguistics, and the Study of Literature*, won MLA's Lowell Prize and established his reputation as analyst and expositor of critical theory. His other books include *On Deconstruction: Theory and Criticism after Structuralism*; *The Pursuit of Signs: Semiotics, Literature, Deconstruction*; and *Ferdinand de Saussure* (all published by Cornell), as well as *Literary Theory: A Very Short Introduction* and *Theory of the Lyric*.

Users Review

From reader reviews:

Bernard McLaren:

People live in this new moment of lifestyle always make an effort to and must have the spare time or they will get great deal of stress from both way of life and work.
