

## Research: What, Why and How?: A Treatise from Researchers to Researchers

By Pashtoon M. Kasi

### Research: What, Why and How?: A Treatise from Researchers to Researchers By Pashtoon M. Kasi

For Students, Scholars, Researchers, Investigators, Trainees and Scientists. "If I have seen a little further it is by standing on the shoulders of Giants." Isaac Newton. This book on research is an attempt to try to answer the basic fundamental questions that come to the minds of young students, researchers, scholars, investigators, trainees or scientists. It is an outcome of collaboration between 43 researchers from 11 different countries (Pakistan, India, United States, Iran, United Kingdom, Nepal, Canada, Greece, Poland, Japan and Australia): Achakzai AM, Afghan AK, Ahmed A, Ali D, Ans M, Asad RM, Ashfaq A, Butt NM, Farooq F, Fatima M, Gilani AI, Ibrahim M, Ishtiaq O, Janjua NZ, Kakisi O, Kasi PM, Kassi M, Kassi M, Khan SF, Khawar T, Kiani J, Kulkarni HS, Majeed A, Naqvi HA, Nawaz H, Oberoi DV, Qureshi SA, Rai AS, Rathore FA, Rehman R, Sabri AA, Saeed F, Shah M, Shankar R, Sharma A, Sherjeel SA, Shoraneh F, Siddiqui S, Syed FK, Szlufic S, Yaqoob N, Zafar A, Zaidi AH Although there is a lot of literature available to answer the queries that come to the mind of a young investigator, the language is often too complex and difficult to understand and thus, aversive. Some of these teaching materials sound more like experts talking to each other. This book would act as a catalyst in providing useful reviews and guidance related to different aspects of research for students who need to be inducted and recognized as an integral part of the research community. We hope researchers benefit from this endeavor of ours. E-mail: pashtoon.kasi@gmail.com Website: www. PromotingResearch.com

### **Editorial Review**

#### About the Author

Pashtoon Murtaza Kasi is a graduate of Aga Khan University (AKU), a prestigious international university spread over 8 countries, where he completed his five year program leading to the Bachelor of Medicine and Bachelor of Surgery Degree in 2006. Currently he is a Surgical Intern at the University of Texas Health Science Center at San Antonio (UTHSCSA), Texas, United States. He has been an active voice in research by being an author as well as a reviewer of several publications in international journals. Along with this, he has been voluntarily running a forum PromotingResearch.com for the purpose of promoting open access, research and education among young investigators, students, scholars, trainees and scientists. This book again is an endeavor in the same direction. He could be reached at: E-mail: pashtoon.kasi@gmail.com; editor@promotingresearch.com Website: <http://www.PromotingResearch.com>

### **Users Review**

#### **From reader reviews:**

##### **Robert Black:**

Nowadays reading books become more than want or need but also become a life style. This reading behavior give you lot of advantages.
