Romance: Forbidden Military Hero: (Billionaire Bad Boy Alphas Romance) (BBW Pregnancy Military Short Stories) By Maya Grey
LUCAS JAMES...

I never expected him to change. Not even when they carted him off to the military after he got kicked out of college.

Fast forward three years. I was the one who had to go and meet my stepbrother dearest at the airport. When he stepped off of that plane, I didn't even recognize him. He lost the nerdy glasses and got his teeth straightened and whitened. Most of all, he got ripped.

At first I thought that he was still the same on the inside, the same asshole who had left, but after spending just a day with him, I realized that there was something different.

Now, I have to focus on staying away from him, because I want to know what exactly changed him, and who he is underneath that façade.

There will be consequences that I can't even foresee, ones that could completely change my life.
