### Editorial Review

Review

*"This third novel by Laura Frantz is a tour de force. Riveting plotline, dynamic characters, and flawless historical accuracy will vividly transport the reader to another time and place...Readers will be left at the edge of their seats for hours. Even though the novel is over four hundred pages, the reader is still left wanting more...quite an accomplishment for any author."*

~Libraries Alive

### Publisher's Weekly:

Frantz (*The Frontiersman's Daughter*) manages to neatly tie and untie a tough plot knot, and Roxie and Cass are both well-characterized. The message is Christian and redemptive, but it's not piled on with piety, and the romance is sensual enough within Christian fiction constraints. Frantz has also done her historical homework, building a setting that shows how the times were not easy...a satisfying and surprisingly subtle read.
