By Adi Rule

### The Hidden Twin By Adi Rule

For eighteen years a girl with no name, a Redwing, has been hidden away in a small attic room within a city of hissing pipes and curving temples perched on the side of the great volcano, Mol, while her sister, Jey-identical except for her eyes-has lived her life in public as an only child. Their father had hoped the hidden girl would one day grow up to be a normal human girl and not the wicked creature mythology has promised, so he secretly spared her life as an infant.

But when she switches places with her sister, striking up a flirtation with the son of the Empress while working in the royal gardens and gets attacks by two suspicious priests on her journey home, she is forced to call forth fire to protect herself, unleashing her previously dormant powers and letting her secret out. She soon catches the attention of a cult with a thousand year old grudge as well as a group of underground rebels, both seeking her for their own gain. But when her sister goes missing and the Redwing uncovers a great plot to awaken Mol and bring fiery destruction upon them all, she is forced to embrace her powers.

In Adi Rule's stunning new novel, *The Hidden Twin*, the girl with no name, must finally choose a name and a path for herself, drawing a line between myth and history to prove herself more than a monster if she is to save both her sister and her home.

### Editorial Review

From School Library Journal

Gr 7–10—In this coming-of-age fantasy, the nameless teenage narrator has spent her life in hiding because her society would put her to death as an evil monster. She's a human-appearing Redwing, the magical offspring of a powerful Other who emerged from a volcanic lava pool to save her human father's life. When the Redwing disguises herself as her human twin to destroy a plant that will reveal her true nature, she's drawn into a conspiracy to seize a volcano god's power. The author has concocted an unusual setting in the ash-strewn shadows of the volcano Mol, where birds are the only animal life in evidence and the wealthy ride giant striches through grimy city streets. Many characters have hidden motivations and agendas for the Redwing and her powers, and the climax comes as a surprise, validating the protagonist's essential goodness. The contemporary-sounding commentary of the characters is occasionally jarring against the otherworldly tone of the story, but liberal helpings of mystery and danger help to pull readers along. Two potential romances with a conspirator and with the son of the Empress add to the appeal. VERDICT Purchase where Tamora Pierce's books are popular.—Beth Wright Redford, Richmond Elementary School, VT

### Review

Praise for *The Hidden Twin*:

"Writing in the first person, Rule uses sharp, lyrical prose to describe a culture with its own gods and monsters, mixing ancient worlds and new technology... Rule delivers a funny, exciting adventure for readers ready to move on from doe-eyed heroines swooning over rugged heroes." - *Kirkus Reviews*

Praise for *Strange Sweet Song*:

"What really makes this book stand out, though, is the Gothic and slightly dark feel to it... I definitely recommend this!" ?*USA Today's "Happily Ever After" blog on Strange Sweet Song*

"Music buffs will relate to Sing's passion and insecurities, and readers who enjoy a good melodrama will be captivated." ?*Bulletin for the Center of Children's Books on Strange Sweet Song*

"Rule's promising writing hits the right note." ?*Booklist on Strange Sweet Song*

### Users Review

From reader reviews:

**Megan Fairbanks:**

This *The Hidden Twin* is great book for you because the content which is full of information for you who

have always deal with world and still have to make decision every minute. This kind of book reveal it info accurately using great plan word or we can point out no rambling sentences inside. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but difficult core information with splendid delivering sentences. Having The Hidden Twin in your hand like getting the world in your arm, information in it is not ridiculous just one. We can say that no publication that offer you world throughout ten or fifteen second right but this publication already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. occupied do you still doubt that will?

#### **Mildred Miller:**

Reading a book to get new life style in this season; every people loves to study a book. When you go through a book you can get a wide range of benefit. When you read publications, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your review, you can read education books, but if you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, as well as soon. The The Hidden Twin will give you new experience in examining a book.

#### **Curtis Tyson:**

In this age globalization it is important to someone to obtain information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher which print many kinds of book. The particular book that recommended for you is The Hidden Twin this guide consist a lot of the information with the condition of this world now. That book was represented how does the world has grown up. The words styles that writer value to explain it is easy to understand. The writer made some exploration when he makes this book. Honestly, that is why this book ideal all of you.

#### **Kara Navarrete:**

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this The Hidden Twin can make you really feel more interested to read.
