Editorial Review

Review

'Read Virilio at his spoken best: accelerated, corrosive, prophetic. Virilio is trying to wake up everyone that slumbers as the information bomb disappears the autonomous subject, trivializes democratic politics, and turns Western ways of war into a videogame. Drivign a stake into the heart of the military-industrial-media-entertainment network, **Virilio Live** could well be the best possible antidote yet for the virtually undead' - *James Der Derian, editor of The Virilio Reader*

'The spontaneity of the interview form brings out the best in Virilio. This is an indispensable guide to the work and thought of one of the most important contemporary thinkers. A lively and thought-provoking collection, it will be welcomed by initiates and newcomers alike' - *Professor Kevin Robins, Goldsmiths College, University of London*
