

# A Rulebook for Arguments

*By Anthony Weston*

## A Rulebook for Arguments By Anthony Weston

Updated examples, streamlined text, and the chapter on definition reworked in a rule-based format strengthen this already strong volume. Readers familiar with the previous edition will find a text that retains all the features that make Rulebook ideally suited for use as a supplementary course book -- including its modest price and compact size. Unlike most textbooks on argumentative writing, Rulebook is organised around specific rules, illustrated and explained soundly and briefly. It is not a textbook, but a rulebook, whose goal is to help students get on with writing a paper or assessing an argument.
