Editorial Review

About the Author

About the Author Linda Laforge is the author of “Anyone CAN Draw in Ten Sessions”. She is primarily a self-taught artist with training in Industrial Design and has been a Graphic Designer for over 18 years. She has taught adults graphic design at Georgian College for several years. She has also taught individuals how to draw since her high school years. Linda was practically drawing from birth. When she was in grade 3 she wrote short stories, illustrated them and created little books to give to her mother. “In one way or another, I’ve been doing the same ever since,” Laforge says. Today you can find her drawings, paintings and short stories on her website at www.LindaLaforge.com.

Users Review

From reader reviews:

George Cardenas:

What do you regarding book? It is not important along? Or just adding material when you require something to explain what yours problem? How about your spare time? Or are you busy particular person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Everybody has many questions above. They need to answer that question because just their can do that. It said that about guide. Book is familiar in each person. Yes, it is proper.
