Editorial Review

Review

I love the Focus on Skills sections. I am able to use them in a variety of ways to reinforce what I am teaching. I really like how you and your team are developing this new edition!

The text is organized well in terms of a steady progression of concepts of study. While it uses musical jargon, it also speaks to the students in a conversational tone and not above their heads. It covers an appropriate amount of material and does not attempt to be something it is not (it is a first-year fundamentals text).
