Forsaken (Otherworld Stories series) By Kelley Armstrong

Three years after being named Alpha of the North American pack, Elena Michaels is in London battling for respect from the British pack. When it becomes apparent she won't get it, she heads home, expecting a much-needed rest on her family vacation, only to discover a battle brewing of a very different kind.

One of her eight-year-old twins has disappeared, and all evidence points to Malcolm Danvers. It seems as if the psychotic former Pack member they've been tracking for the past year has brought the fight to them, setting the bait he knows Elena can't afford to ignore.??

Number one New York Times bestselling author Kelley Armstrong returns to her much-loved Otherworld with this powerful novella detailing the latest trials and travails of a fan-favorite character, a working mother who happens to lead the werewolves of North America.
