New Kids on the Block: Five Brothers and a Million Sisters By Nikki Van Noy

An intimate, all-access, backstage pass to everything New Kids on the Block, from their rise to fame in the 1980s to their fall from grace in the 1990s—and their triumphant comeback today.

Jordan, Jon, Joe, Donnie, and Danny. They set the bar for every boy band that followed and changed the course of pop music forever. In the 1980s, for millions of young girls around the world, they were gods. But behind the scenes, they were just kids. In this authorized biography of the band, the New Kids tell it all to rock journalist Nikki Van Noy.

From makeshift stages in Boston clubs to soldout shows at Madison Square Garden, through winning American Music Awards and selling 80 million records, the New Kids on the Block (NKOTB) were a rite of passage and a touchstone of youthful memories. Scoring platinum albums, and with a series of sold-out international tours, NKOTB blazed through North and South America, Europe, Australia, and Asia, leaving throngs of screaming teen and tween girls in their wake. But after a few heady years, the guys (and their fans) grew up, and moved on. The New Kids disbanded in 1994 and, for nearly fifteen years, there was every reason to believe that the NKOTB phenomenon was over once and for all.

But then an unexpected thing happened. The band (and their fans) got a second chance to relive their youth when NKOTB reunited in 2008. And they realized that this band has something special—an unbreakable bond with their fans and with each other that has only strengthened with the passage of time. Today, fans both old and new celebrate the band's triumphant comeback with sold-out concerts, cruises, and top-selling albums. And this time, Jordan, Jon, Joe, Donnie, and Danny are enjoying it all right alongside them. An intimate, all-access backstage pass to everything New Kids on the Block, from their meteoric rise to fame.

Nikki Van Noy talks directly to those loyal fans, as well as to all five band members and their families, weaving their stories together in this no-holds-barred chronicle. With frankness and honesty, each New Kid recalls nearly thirty years of experience with the group, both on and off the stage. Like a time machine, this

book will take you right back—giving you an inside look at the New Kids like you’ve never seen them before.

An intimate, all-access backstage pass to everything New Kids on the Block, from their meteoric rise to fame in the 1980s to the band’s breakup in the 1990s—and their triumphant comeback today

“We’re siting there, and all of a sudden Jordan said, ‘You know we’re gonna be famous, right? We’re gonna be famous.’ And he was right.” —Joe

“All that stuff we never experienced in college, we experienced on the road, just the five of us.” —Jon

“There’s just no words to describe it. I guess the only thing similar is a Super Bowl quarterback winning it for his hometown.” —Danny

“It’s amazing. It’s almost like going through life and then geting another chance at life, knowing what you know now.” —Jordan

“My dad said, ‘I’ll tell you what—if you ever make it big and you come home and you’ve changed, I’m gonna kick your ass.’ That always rang in my head.” —Donnie

Editorial Review

Review

“Van Noy takes what seems like a clichéd pop story—New Kids meteoric rise and equally swift collapse—and turns it into something special, a fascinating tale that will delight the band’s large fan base as well as enlighten its harsh critics.” (Publishers Weekly)

“The story of how five boys from Boston rose from nothing to become unlikely international recording stars in the late 1980s ... there is true profundity in the stories of accomplished adult women who, during their formative years, fell in love with five flickering images on TV screens and never let go.” (Kirkus Reviews)

“In the dozens of fascinating interviews with super fans that Van Noy records for posterity in this well-researched, smartly organized book, it becomes clear it's not about the music. (It never is.) It's about remembering the way we were -- those junior-high days when so many of us loved nothing more than this band, when you could dream of marrying Jordan Knight and fully believe it really would come true.” (*LA Weekly*)

“What distinguishes 'Five Brothers' from similar biographies is Van Noy’s inclusion of the voices of dozens of NKOTB fans both in the story itself — commenting on events from a fan’s perspective — and sharing personal tales of kindnesses shown by the band members at the end of each chapter. ... If you didn’t think NKOTB had the right stuff in the ’80s, “Five Brothers” won’t change your mind, but it does a decent job of explaining what those million sisters continue to scream about.” (*The Boston Globe*)

“This new book offers readers an intimate all access, backstage pass to NKOTB including their incredible rise in the 1980s, the group’s tumble during the following decade and, of course, the triumphant rebirth... a highly readable story.” (*Tucson Citizen*)

“The book deftly shows the sense of community the group has with its fans, the genuine love and affection both sides feel, and how five young boys from Boston became a cultural phenomenon. Fans of the group will want to get this inside look into their life on and off the road.” (*Graffiti Magazine*)

About the Author

Nikki Van Noy is the author of *So Much to Say*, a biography of the Dave Matthews Band. She works as a writer and editor in Boston, Massachusetts.

Users Review

From reader reviews:

Angel Garcia:

As people who live in often the modest era should be upgrade about what going on or data even knowledge to make these people keep up with the era that is certainly always change and move ahead.
