**Rush** By Shae Ross

Priscilla Winslow has a mouth that spits fiery sarcasm faster than I can throw a touchdown. But I've wanted her ever since I saw her in that Bo Peep outfit on Halloween. Yep, I'm a sheep who will follow that little hottie anywhere. There's one problem...she hates me. Just because we ended up in jail and quite possibly ruined both our futures...

### **They're changing the rules...**

College Quarterback Preston Rush is living the dream. He's leading his team to the National Championship and days away from earning a 'first round draft pick' label. When he meets Little Bo Peep at a Halloween party, he thinks he's scored big. Instead, he wakes up in a jail cell with the corseted beauty. Because of him, she's in trouble and when he discovers her true identity, he realizes, his nightmare is just beginning.

The always shooting-for-perfection Priscilla Winslow can't believe her good deed has cost her a soccer career. Even though she knows it isn't Preston's fault, she can't forgive him for the disaster that is her life. She just wishes her damn body would get the message. Every time she sees him, it's all she can do not to kiss him.

When everything crashes down around him, Preston will have to decide if doing the right thing is worth losing it all.
