After escaping an abusive marriage, Sera runs to California to start a new life with her daughter, Emma. There she meets new friends and eventually learns to fall in love again. However, just when things are going well, her past creeps up to haunt her.

Thane Bishop wasn't looking for a relationship, least of all with Sera, the mousy nail technician he'd hired for his newly acquired salon, Tangled. But, love is never planned, and he quickly finds himself risking everything to help her, and her young child, Emma, escape from a violent past that refuses to be left behind.

Due to sexual content and heavy subject matter, this book is recommended for ages 18+
