The Final Submission (The Born Submissive Series Book 3) By L.L. Chance, Edward Laste

Lucas makes some of the best bondage gear around, so when Master Richard needed to stock a brand new dungeon, he was the only possible choice. Being incredibly picky, and wanting everything custom built to perfectly fit his full time submissive Willow, he doesn't want to rely on mere measurements. Instead, he leaves her with Lucas so she can serve him for the next year in any way he wants.

He can't refuse the job, even though having the beautiful young sub around the house creates a few waves with his own sub. However, since both girls are born submissives, he hopes Alice might learn a few things from their much more experienced house guest. Even though she hates the unwelcome division of her Master's attentions, she accepts the new order and tries to play nice with her.

At least she does until she begins to suspect Willow of doing more with Lucas than being a mere bondage guinea pig. Caught between a rock and a hard place, Alice has to decide if she simply obeys her Master, fights for her Master, or throws away all the limits so she can out-kink her competition.
