When he returns home after a year in France, Hayden is less than thrilled to find his ex-girlfriend working for his family's company. He's finally moved on, and being around her rekindles long-buried feelings he'd rather ignore. But Bex isn't the same girl he knew—she's more mature, more beautiful, more tempting than ever—and he can't resist the pull of the intense passion he's only ever shared with her.

Have five years changed them enough, or are they doomed to repeat the mistakes of the past? The only thing Bex knows for sure is that for her, Hayden is still the one.

About the Author

Darcy Burke is the *USA Today* bestselling author of hot, action-packed historical and sexy, emotional, contemporary romance. Darcy wrote her first book at age eleven, a happily-ever-after about a swan addicted to magic and the female swan that loved him, with exceedingly poor illustrations.

A native Oregonian, Darcy lives on the edge of wine country with her guitar-strumming husband, their two hilarious kids who seem to have inherited the writing gene, and three Bengal cats. In her "spare" time, Darcy is a serial volunteer enrolled in a twelve-step program where one learns to say "no," but she keeps having to start over. She's also a fair-weather runner, and her happy places are Disneyland and Labor Day weekend at the Gorge.
