Bear in Mind: Bear Shifter/Psychic Romance By Kate Rudolph

Tell me no secrets...

When psychic Sandra Khee leaves The Sector, her undercover military contractor job, she moves to Montana for some peace of mind. Her abilities are hell on relationships -- so she's surprised, but intrigued, when she meets a big, burly, sexy guy whose thoughts she can't read.

Tell me no lies...

Grizzly shifter Derek Lacroix loves his mountain hideaway, but he doesn't love being alone all the time. When a curvy little human comes across him in his bear form, it doesn't take Derek long to realize she could be his mate. But how can he explain his hidden nature in a world that doesn't know shifters exist?

No place to hide...

Sandra's peace is shattered when she starts sensing danger in the thoughts around her. Then a former colleague from The Sector goes AWOL. Someone from her past is hunting her ... and time is running out.

Can she and Derek trust each other with their true identities and eliminate the threat before their future together vanishes?

This full length novel.
