Certified Rehabilitation Counselor Examination Preparation: A Concise Guide to the Rehabilitation Counselor Test By Fong Chan PhD CRC, Malachy Bishop PhD CRC, Julie Chronister PhD CRC, Eun-Jeong Lee PhD CRC, Chung-Yi Chiu PhD

This user-friendly new study guide will help graduate students and professionals in rehabilitation counseling to prepare thoroughly for the CRC® examination. It provides a complete, detailed review of the CRC exam built on the most recent, empirically based rehabilitation counselor roles and function studies. Each chapter contains a concise overview of the topic, summary tables of key concepts, practice questions with annotated answers, and links to related web-based materials.

Key Features:

Certified Rehabilitation Counselor Examination Preparation is written by rehabilitation counselors and content experts well known in their field for teaching effectiveness, research, and scholarship. It is geared for master's and doctoral-level students in rehabilitation counseling, psychology and disability studies, as well as Licensed Professional Counselors. It will also be of value to master's-level students in their day-to-day preparation for individual classes in theory, assessment, and job placement. Note: This book is not endorsed or in any other way supported by the Commission on Rehabilitation Counselor Certification (CRCC)."
