### My Gender Workbook: How to Become a Real Man, a Real Woman, the Real You, or Something Else Entirely By Kate Bornstein

Gender isn't just about "male" or "female" anymore - if you have any doubts, just turn on your television. RuPaul is as familiar as tomato ketchup with national radio and television shows, and transgendered folk are as common to talk-shows as screaming and yelling. But if the popularization of gender bending is revealing that "male" and "female" aren't enough, where are we supposed to go from here? Cultural theorists have written loads of smart but difficult-to-fathom texts on gender, but none provide a hands-on, accessible guide to having your own unique gender. With *My Gender Workbook*, Kate Bornstein brings theory down to Earth and provides a practical approach to living *with* or *without* a gender.

Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, Bornstein gently but firmly guides you to discover your own unique gender identity. Whether she's using the USFDA's food group triangle to explain gender, or quoting one-liners from real "gender transgressors", Bornstein's first and foremost concern is making information on gender bending truly accessible. With quizzes and exercises that determine how much of a man or woman you are, *My Gender Workbook* gives you the tools to reach whatever point you desire on the gender continuum.

Bornstein also takes aim at the recent flurry of books that attempt to naturalize gender difference, and puts books like *Men are from Mars, Women are from Venus* squarely where they belong: on Uranus. If you don't think you are transgendered when you sit down to read this book, you will be by the time you finish it!

### Editorial Review

#### Amazon.com Review

Kate Bornstein's 1994 book of autobiographical theory, *Gender Outlaw*, drew a line in the sand about the whole boy/girl thing. "Who needs it?" America's most active transgender activist questioned. Now, in *My Gender Workbook*, Bornstein has assembled a collage of simple exercises, quizzes, puzzles, and essay questions that systematically break down our ingrained ideas about how women and men--and whoever is in between--should act. Bornstein's breezy, "hey, let's all discover who we might really be" style works to make this potentially threatening material accessible and even intriguing to almost all readers. Just glance down, check out who--or what--you thought you were, and get ready to answer a few questions.

#### Review

"*My Gender Workbook* [is] the most complete guide to living with or without gender to have been written to date, putting books like *Men are From Mars, Women Are From Venus* squarely where they belong: on Uranus." -- *Seattle Gay News*

"[T]he most exciting and difficult aspect of *My Gender Workbook* is the way it never relents. It asks a question, then another, then another, answering questions with more questions... Bornstein never tells us what or where the genderless promised land might be, but by the end of the book you do get the sense that she never describes it because she understands its indescribability so deeply." -- *Hungry Mind Review*

"[Bornstein's] ideas are both novel and intriguing." -- *Baltimore Alternative*

"*My Gender Workbook* may take a leap of faith to crack open, but the charm, wit, and quiet intelligence of its author will almost undoubtedly keep you along for the whole trip. And it is a trip, let me tell you." -- *The Toronto Star*

**Winner of the 1999 Firecracker Alternative Book Award, Special Recognition/Wildcard Category: Self Improvement**

#### About the Author

**Kate Bornstein** is the author of *Gender Outlaw* (Routledge, 1994) and co-author of the novel *Nearly Roadkill* (1996). She lives, writes and rehearses her stage work in Seattle.

### Users Review
