Thoughtful (A Thoughtless Novel) By S. C. Stephens

In *Thoughtless*, Kiera told her story. Now it's time to hear from the sexy rock star who captivated us all . . .

THOUGHTFUL

The only place Kellan Kyle has ever felt at home is onstage. Gripping his guitar in a darkened bar, he can forget his painful past. These days his life revolves around three things: music, his bandmates, and hot hookups. Until one woman changes everything . . .

Kiera is the kind of girl Kellan has no business wanting-smart, sweet, and dating his best friend. Certain he could never be worthy of her love, he hides his growing attraction . . . until Kiera's own tormented heart hints that his feelings might not be one-sided. Now, no matter the consequences, Kellan is sure of one thing-he won't let Kiera go without a fight.

"Stephens has perfectly and with gut-wrenching honesty portrayed the reality of a love triangle, and the mess that ensues when bonds are severed and new ones are formed. What happens when you find your soul mate at the worst possible time, in the least expected place? What if being with that person means doing the most wrong thing you've ever done? *Thoughtless* is one of those books that leaves you thinking about these questions, the characters and their choices for days if not weeks after reading." ***Tammara Webber, New York Times bestselling author***
