All of Me By Gina Sorelle

Author's Note #1: All of Me is a standalone, non-cliffhanger, with an HEA.

Author's Note #2: Because I want All of Me to be a good fit for potential readers, please know there is explicit language, explicit love scenes, and a whole lotta love. ;)

Stella Ciaramitaro spent the last year battling a disease that tried to take her life...and take her away from her four crazy, pain-in-the-butt sisters, occasionally suicidal father, and career as an Emergency Room nurse. Stella's disease wreaked a lot of havoc, leaving her with visible and invisible scars, but she's hanging in there. Doing just fine, actually.

Or she was until HE showed up.

Nathan Drazek is a mess and he knows it. A childhood full of mental and physical abuse, four tours in Afghanistan, and ten years policing one of the toughest beats in East Cleveland have left him aloof and nearly incapable of interpersonal relationships. But that's okay, because Nathan isn't interested in anything more than just getting by.

Or he wasn't until SHE showed up.

From the moment Nathan nearly arrests Stella on, sparks fly, limits are tested, and boundaries are shattered. A tenuous, tender friendship quickly evolves into something powerful and passionate they cannot wish away or control. But as they grow closer, new issues arise and old hurts resurface, threatening to destroy their fragile new beginning.

With everything at stake, Nathan and Stella must ultimately decide which runs deeper: their scars or their love.

Editorial Review

Review

"All of the Ciaramitaro women have what we Southerners refer to as GUMPTION. They're sassy and snarky and SMART and I'm all kinds of excited that little sister Kat's story is next. *All of Me* is one of those books that makes me infinitely proud to be a member of the fairer sex. A beautiful story about the power of love and acceptance, it will make you snort-laugh and sigh and sob uncontrollably." - Nikki Rushbrook, *Scandalicious Book Reviews*

"Gina Sorelle is an incredible writer.....what an introduction this is!!! ALL OF ME is written with emotional wisdom, great insight in the human psyche and a fantastic sense of humour. OH....and....I should probably mention that Ms. Sorelle can write a damn hot sex scene or two or three....HOLY COW! Extremely yummy. This book had me in tears or near tears from either laughter, sadness or any other emotion on the scale of possibilities in between..... I am still, a day after finishing it, walking around with the feeling of a bubble in my chest." - Margreet, at *Ripe For Reader*

"This story takes you on a emotional journey of love, trust, family, hope, patience and so much more. I want to share more but you got to read it yourself, my heart is still so full with these characters and I don't want to ruin any of the story. I absolutely loved this story and hope Danny gets his HEA...he and Kat they both deserve it. The author kicked butt in this story, she is a amazing writer. 5 huge stars." - Nanee McGee, *Up All Night, Read All Day*
