*The time for decisions is finally here. Is blood thicker than water? Or will love conquer all?*

Nadia knew falling for Slayer, the sexy and dangerous Sergeant at Arms of a rival motorcycle club, would be hard. She just didn't realize how hard. Palmer showed her that there is life outside of her little club, but forces converge to steal that away. Nadia won't let that happen. Now that she's had a taste of freedom, she's not afraid to work to keep it.

Slayer is willing to risk his life for Nadia, and he already has. Even at the border of life and death, this rugged Sergeant only has Nadia on his mind. Slayer won't stop fighting until he saves his woman and finishes his mission. Even if it means paying the ultimate cost.

*Will Slayer and Nadia finally get their Happily Ever After? Or will the happiness they've worked so hard to achieve get shot down before it has a chance to grow?*
