Sweet Girl (Titan series Book 0) By Cristin Harber

Full Length Contemporary Romance and New Adult Prequel by NYT Bestselling Author...

Nicola Hart grew up under the heels of her older brother and his sexy best friend, Cash Garrison. Years of ignoring her spark with Cash has transformed their friendship into a slow burning sizzle. One night with him could ruin everything. Or it could be more than she ever dreamed. They play. They flirt. But they haven't crossed the line because too much is at stake. Family. Friendship. And the deepest kind of love that she'd have to be crazy to walk away from.

HE CAN'T STAY AWAY FROM

She's his best friend's little sister. The definition of hands off. Cash has tried to ignore her for years. Those innocent eyes and her smile that screams kiss-me-if-you-dare... Instead, he's looked at every pretty little thing who's crossed his path, all to ignore the girl he seems destined to want. But when his hard partying ways get old and everyone at school is interested in Nicola, it's time to stake a claim. To make Nicola his girl, no matter the risks, and hold the hand of the one he really loves.

Sweet Girl is the novel-length prequel to bestselling standalone novel Garrison's Creed in the Titan series. Each book in the Titan series is a standalone with a happily ever after.

From the Author

Sweet Girl is about two of my favorite characters, Cash and Nicola, from Garrison's Creed. Their happily ever after makes me happy-sigh, and while Garrison's Creed can be read as a stand alone, their story from college *had* to be told.

I couldn't love them any more than I do. And sometimes falling in love means going through the worst kind of hell.

One Goodreads reviewer sums it up... "Sweet Girl is a fantastic prequel to Garrison's Creed, and the best part is it doesn't matter which one you read first. They both can standalone. I hope to see more of this unique new adult/romantic suspenseblend from Harber. Sweet Girl is proof positive that there isn't anything this author can't write."
