

The Best of This Is a Crazy Planets

By Lourd Ernest H. De Veyra

The Best of This Is a Crazy Planets By Lourd Ernest H. De Veyra

Lourd Ernest Hanopol de Veyra is many things at once: front man of the band Radioactive Sago Project, TV personality, poet, award-winning writer, blogger, and now, author. His two-year-old blog This is a Crazy Planets has gained a large following on SPOT.ph, and his best works are now compiled in a book of the same title. With Lourd's various entries on everyday life's absurdities, This is a Crazy Planets mirrors Filipino pop culture in a way that is both humorous and endearing. "Lourd is able to say what we're dying to say, but can't-or can't articulate well enough," says Sison

Editorial Review

Users Review

From reader reviews:

Dustin Kellett:

As people who live in typically the modest era should be revise about what going on or info even knowledge to make these people keep up with the era which is always change and progress. Some of you maybe will certainly update themselves by examining books. It is a good choice for you but the problems coming to an individual is you don't know which one you should start with. This The Best of This Is a Crazy Planets is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

Alex Estep:

Information is provisions for those to get better life, information presently can get by anyone at everywhere. The information can be a expertise or any news even a huge concern. What people must be consider while those information which is in the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you find the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take The Best of This Is a Crazy Planets as the daily resource information.

David Peacock:

Are you kind of active person, only have 10 or even 15 minute in your day to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are having problem with the book when compared with can satisfy your short period of time to read it because all this time you only find guide that need more time to be read. The Best of This Is a Crazy Planets can be your answer because it can be read by a person who have those short extra time problems.

Brenda Cornell:

In this time globalization it is important to someone to obtain information. The information will make a professional understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, paper, book, and soon. You can observe that now, a lot of publisher that print many kinds of book. Often the book that recommended for you is The Best of This Is a Crazy Planets this guide consist a lot of the information in the condition of this world now. This book was represented just how can the world has grown up. The terminology styles that writer use for explain it is easy to understand. Often the writer made some

investigation when he makes this book. That's why this book appropriate all of you.
