

## Towers of Midnight (Wheel of Time)

By Robert Jordan, Brandon Sanderson

**Towers of Midnight (Wheel of Time)** By Robert Jordan, Brandon Sanderson

The Last Battle has started. The seals on the Dark One's prison are crumbling. The Pattern itself is unraveling, and the armies of the Shadow have begun to boil out of the Blight.

The sun has begun to set upon the Third Age.

Perrin Aybara is now hunted by specters from his past: Whitecloaks, a slayer of wolves, and the responsibilities of leadership. All the while, an unseen foe is slowly pulling a noose tight around his neck. To prevail, he must seek answers in *Tel'aran'rhiod* and find a way--at long last--to master the wolf within him or lose himself to it forever.

Meanwhile, Matrim Cauthon prepares for the most difficult challenge of his life. The creatures beyond the stone gateways--the Aelfinn and the Eelfinn--have confused him, taunted him, and left him hanged, his memory stuffed with bits and pieces of other men's lives. He had hoped that his last confrontation with them would be the end of it, but the Wheel weaves as the Wheel wills. The time is coming when he will again have to dance with the Snakes and the Foxes, playing a game that cannot be won. The Tower of Ghenjei awaits, and its secrets will reveal the fate of a friend long lost.

This penultimate novel of Robert Jordan's #1 *New York Times* bestselling series--the second of three based on materials he left behind when he died in 2007--brings dramatic and compelling developments to many threads in the Pattern. The end draws near.

*Dovie'andi se tovyo sagain.* It's time to toss the dice.

From Publishers Weekly

Starred Review. Jordan's epic is coming to its long awaited conclusion in the next book, so this installment (Book 13) exquisitely ratchets up the suspense. The last battle is coming, and Rand must garner the armies of nations, unite disparate allies, and as the Dragon Reborn, prepare to face the Dark One in combat. Fans will find the preparations of the multitude of characters exciting and satisfying. Michael Kramer and Kate Reading have narrated all of the previous books, and continue to give peerless performances. Both boast a wide range of vocals and accents, and perform all characters convincingly. Their readings and characterizations are complementary and consistent in manner and style so that the sprawling series is kept coherent. A Tor hardcover. (Nov.)

Review

“The battle scenes have the breathless urgency of firsthand experience, and the . . . evil laced into the forces of good, the dangers latent in any promised salvation, the sense of the unavoidable onslaught of unpredictable events bear the marks of American national experience during the last three decades, just as the experience of the First World War and its aftermath gave its imprint to J. R. R. Tolkien’s work.”--*The New York Times* on The Wheel of Time®
