### Unjustified Claims (Hidden Wolves Book 3) By Kaje Harper

Brandt Davis loved being part of his werewolf pack, until they found his stash of gay porn. He escaped their anger, running in wolf-form into the wilderness, but he can't live that way forever. And he can't hide in fur like a coward when an injured man needs his help.

Ethan Sjulstad knows life is making him crazy when a solo hike into the Boundary Waters seems reasonable. Then a bad fall leaves him injured and facing death. Delirious, he hallucinates being rescued by a big grey wolf and a naked woodland godling. For a man who has always loved fantasy, it's worth surviving just to find out what the hell is going on.
