*Scandal between the pages...surrender between the sheets.*

*The Ladies Book of Pleasures, Book 1*

The widowed Lady Isabel Avenbury has one remaining younger sister to shepherd into an advantageous marriage, and then she will be free. Free to take a lover to fill her lonely nights—the only option left for a woman on the delicate edge of a certain age.

Except when she chaperones her sister to a country house party, she is taken aback by her sudden, undeniable attraction to the host. And deliciously scandalized when she finds a copy of the notorious, much-gossiped-about *Ladies Book of Pleasures* in his library.

When Seth Rowland, Marquis Lyndham, notices his book is missing, his interest is piqued as to which of the potential young brides at his party has absconded with it—and he's shocked to discover it's Isabel. Though older than the women he'd planned to court, the powerful beauty exudes a sensuality he cannot ignore.

The book inspires them to begin a desperate, passionate affair. But their time together is running out and they must choose. Follow society's rules, or take a chance at love.

Warning: Found within are highly scandalous books that trigger passionate desires, surrender in the orangery and possibly true love.
