Amaury's Hellion: Scanguards Vampires By Tina Folsom

### CAN BE READ AS A STANDALONE

Vampire Amaury LeSang is cursed to feel everybody's emotions like a permanent migraine. The only way to alleviate the pain is through sex. When he meets the feisty human woman Nina, a cure for his ailment seems within reach: in her presence all pain vanishes.

Unfortunately, Nina is out to kill him because she believes he's involved in her brother's death. And she would succeed if only Amaury's bad boy charm didn't play havoc with her hormones and catapulted her into his arms and his bed every time she was near him.

As every kiss brings them physically closer, danger is lurking and threatens to destroy the little trust they have in each other.

*"I'm addicted to Tina Folsom's books! The Scanguards series is one of the hottest things to happen to vampire romance. If you love scorching, fast-paced reads, don't miss this thrilling series!"* --- **Lara Adrian, New York Times Bestselling Author of the Midnight Breed series**

### Scanguards Vampires (Vampire Series):

About the Author

Tina Folsom is a **New York Times and USA Today Bestselling Author**. She's always been self-published and has found tremendous success with her paranormal series, *Scanguards Vampires*, *Venice Vampyr*, and *Out of Olympus*, selling more than 1.5 million copies of her 50 titles (which includes titles in German, French, and Spanish) in almost 4 years.

Tina writes about hot alpha heroes, bad boys, and kick-ass heroines. Fast-paced plots and steamy scenes are her specialty. She loves vampires and the concept of immortality, and now also writes contemporary romance and has launched the *Eternal Bachelors Club* series.

Tina is a one-women-enterprise. She writes constantly and translates her own books into German, her native language. Her books are available in e-book format, as paperbacks, as audio books, and in foreign languages.

Tina Folsom was born in Germany and has been living in English speaking countries for over 25 years, the last 13 of them in San Francisco, where she's married to an American. Tina has always been a bit of a globe trotter: after living in Lausanne, Switzerland, she briefly worked on a cruise ship in the Mediterranean, then lived a year in Munich, before moving to London. There, she became an accountant. But after 8 years she decided to move overseas.

In New York she studied drama at the American Academy of Dramatic Arts then moved to Los Angeles a year later to pursue studies in screenwriting. In 2008 she wrote her first romance. She now has 18 novels in English and dozens in other languages.
