## America's Gilded Age: An Eyewitness History By Judith Freeman Clark

Part of a series of historical references, this volume addresses the period of vast economic and political change that altered the American landscape from 1865 to 1901 by means of eyewitness accounts drawn from speeches, letters, newspaper articles and memoirs. A variety of supporting material is supplied, which includes a narrative introduction to the event or period; a chronology; biographical sketches of key figures; and documents of the period.

### Editorial Review

From School Library Journal

YA-- This large-format, amply illustrated book tells the story of the key events in American life from the end of the Civil War to the beginning of the 20th century through the voices and writings of the people who experienced, caused, or reacted to them. This reliance on primary sources gives this volume the distinct ring of authenticity and makes for a compelling narrative. A chronology at the beginning of each chapter helps to keep these events in proper historical perspective. An effective resource for American history classes on the post-Civil War period, the book contains an extensive bibliography that should aid YAs in researching this interesting era, when, according to the author, America "came of age."-- Richard Lisker, Fairfax County Public Library, VA
