

Institutional Theory in Political Science 3rd Edition: The New Institutionalism

By B. Guy Peters

Institutional Theory in Political Science 3rd Edition: The New Institutionalism By B. Guy Peters

Institutional Theory in Political Science provides an in-depth analysis of contemporary institutional theory, an essential tool to understand the world of politics and government.

Written by B. Guy Peters, a prominent expert in the field, the book argues that the new institutionalism comprises eight variations on the theme of institutional analysis. Through a series of questions, the author assesses the possibility of a unified theory within institutionalism and its potential as a paradigm for political science.

This new edition incorporates the most recent developments in the research on the various institutionalisms. It also includes a new chapter that brings into the discussion themes of discursive politics and constructivism. Although the focus is on political science, attention is paid to institutionalism in other disciplines.

Institutional Theory in Political Science, 3rd Edition, reflects the state of the field today while building on the foundations set in the previous editions. This unique work will be of value to anyone studying institutionalism, as well as political institutions, and public administration.

Editorial Review

Review

"Institutional theory continues to constitute the backbone of political science and public administration. This book provides a well-argued, systematic and balanced account of the various strands of institutional theory. The addition of a chapter on discursive institutionalism makes it an even more complete guide to institutional theory that will be of great value for students and scholars alike." - Jacob Torfing, Professor in Institutions and Politics, Roskilde University, Denmark

About the Author

B. Guy Peters is Professor of Political Science at the University of Pittsburgh, USA. He is the author or editor of over 60 books in political science, and a founding editor of the *European Political Science Review* and of *Governance*.
