Integrative Health: A Holistic Approach For Health Professionals By Cyndie Koopsen, Caroline Young

Integrative Health: A Holistic Approach for Health Professionals serves as a comprehensive resource on integrative health modalities. Perfect for both health care professionals and as a textbook for students, this text explores the discipline of integrative health care as a person-centered and person-empowering approach to health care, combining treatments from conventional medicine and clinically proven complementary and alternative medicine to address the body, mind, and spirit, as well as the environment and relationships with others.
