Editorial Review

About the Author

Arun Pareek

Arun Pareek is an IASA-certified software architect and has been actively working as an SOA and BPM practitioner. Over the past 8 years, he has worked in the capacity of a consultant and an architect for the implementation of a variety of large-scale SOA and BPM projects for customers across the globe. He has a knack for designing systems that are scalable, performance efficient, and fault tolerant, and he is a keen enthusiast of BPMN, automation, and cloud computing. He is currently employed by Rubicon Red, an innovative IT professional services firm headquartered in Australia, which focuses on enabling enterprise agility and operational excellence through the adoption of emerging technologies, such as SOA, BPM, and cloud computing. Prior to working with Rubicon Red, Arun worked for companies such as Dell and Accenture, where he successfully executed many Oracle FMW-based projects in the communications and utilities domain. Arun has also been engaged with Packt Publishing as a technical reviewer for quite some time now, reviewing a few of their books on Oracle BAM 11g and the book Oracle BPM 11g Cookbook. He is also an active blogger of these technologies and runs a widely popular blog at http://beatechnologies.wordpress.com. He can be contacted at his personal e-mail address at arrun.pareek@gmail.com.

Harold Dost

Harold Dost III is a Principal Consultant at Raastech who has experience in architecting and implementing solutions that leverage Oracle Fusion Middleware, mostly revolving around products and technologies that include SOA Suite, OSB, BAM, AIA, Java, big data, and mobile development. He is a certified Oracle SOA Foundation Practitioner and has presented on various topics at conferences that include OpenWorld, Collaborate, UKOUG, WMOUG, and MOUS.

Ahmed Aboulnaga

Ahmed Aboulnaga is a Technical Director at Raastech, a complete lifecycle systems integrator headquartered at Virginia, USA. His professional focus is in technical management, architecture, and consulting within the Oracle Fusion Middleware stack. He has implemented enterprise solutions for commercial, government, and global customers over the years. Ahmed holds an MS degree in Computer Science and is an Oracle ACE, OCE, and OCA. He actively contributes to the online community in the area of Oracle Fusion Middleware. Ahmed is currently the President of the West Michigan Oracle Users Group.

Users Review

From reader reviews:

Jacquelyn Lopez:

What do you in relation to book? It is not important with you? Or just adding material when you need something to explain what yours problem? How about your free time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have free time? What did you do? Everyone has many questions above. The doctor has to answer that question mainly because just their can do that. It said that about publication. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need that Oracle SOA Suite 12c Administrator's Guide to read.

Carrie Hanks:

A lot of people always spent their very own free time to vacation or even go to the outside with them friends and family or their friend. Do you know? Many a lot of people spent they will free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity that is look different you can read any book.
