Admissions Contacts, and more

The book's tinted pages section presents an Index of College Majors, an extended chart that lists all available major study programs at every school. Also profiled are many of the finest colleges in Canada and several other countries, as well as brief profiles of religious colleges, and American colleges based in foreign countries. All colleges in the directory are rated according to Barron's competitiveness scale, which ranges from "Noncompetitive" to "Most Competitive."

Editorial Review

"Although most students today utilize the Internet to do much of their college browsing, a guide such as this can be indispensable since it provides in one volume a great deal of useful information that would require visits to many different web sites... this should be an annual purchase for most public, high school, and college libraries."

Gregory A. Crawford, *ARBAonline*, American Reference Books Annual 2015 Users Review
