Photographer Arthur Elgort's images are the stars of this volume, which he presents as a tribute to his friends in modeling. Christy Turlington, Paulina Porizkova, Linda Evangelista, and dozens more make their appearances in this smartly designed book. Interviews with the models are mixed with photographs without interrupting the flow of the pictures or text, and one can actually learn something about the process of modeling here, even if that's secondary to enjoying the innovative camera work that has made Elgort one of the top photographers in his field.
